GETTING TO KNOW OWASP

OWASP COMMUNITY

OWASP is a worldwide free and open community focused on improving the security of application software.

Our mission is to make application security visible so that people and organizations can make informed decisions about application security risks.

GETTING TO KNOW OWASP

IT'S ALL FOR FREE

Everyone is free to participate in OWASP, and all of our materials are available for free and with an open software license.

Most OWASP events are free for both members and non-members and can be attended by anyone interested in Application Security and Cyber Security in general.
